

# CASA AGRICOLA da LEVADA

## How to reach

Dear Guest

If using a GPS, please make sure it is directing you to Vila Real and use the following address/coordinates:

### Googlemaps & Waze:

Casa Agrícola da Levada, Vila Real

**ViaMichelin, TomTom, Garmin, Magellan & others:** Praça 25 de Abril, 5000 Vila Real, then follow directions from point **B** on our map.

### Coordinates:

41.311567, -7.728891

41°18'41.6"N 7°43'44.0"W

### From Oporto Airport (aeroporto Francisco Sá Carneiro):

Take the A4 motorway to Vila Real (blue signs), pass the Marão tunnel and come off at **exit 21** marked Vila Real Oeste/ Parada de Cunhos (green signs). Stay on the IP4 till **exit 26**, marked Vila Real/Norte, then follow *From exit 26* directions. ✗ Exit 19 that points to Vila Real is the old route to Vila Real ✗

### From Viseu:

Take the A24 motorway Northbound and come off at **exit 14** marked Vila Real-Norte/IP4 (green sign). Stay on the IP4 till **exit 26**, marked Vila Real/Norte, then follow *From exit 26* directions.

### From Exit 26 off the IP4 road (marked as A on the map):

At the first roundabout, go straight ahead. At the second roundabout (**B on the map**), take the 3rd exit (left), following the signs to Sabrosa/ Regua/Casa de Mateus.

Follow this road for 600 meters as it bends fairly sharply to the left and after the following bend (to the right), start slowing down – you'll soon be turning left into a tiny street with a "**Café da Ponte**" sign on the corner. Drive up this narrow two-way street, and you will find the arched stone entrance to the estate right in front of you.

**WARNING:** if you happen approach the estate entrance from the top (with the arched stone entrance on your left), please do not attempt to drive in from that angle – it is very likely that your car will get seriously scratched... You may have to drive down the narrow street to the main road and come back up.

Have a nice journey!
